Dear Sir,

The illegal manufacture, sale and use of illicit drugs is not a victimless crime. Too often, the victims are innocent children found living within dangerous and hazardous drug environments. Children found in these drug environments are often removed from the home and placed in temporary foster homes or shelters pending the outcome of the law enforcement and child protective services investigation. They often leave with just the clothes they are wearing.

The Tribal Comfort for Kids Project has been created to meet the immediate needs of these traumatized children. The goal of the Project is to provide law enforcement officers and child protective services' representatives with diaper bags and backpacks to distribute to infant, toddler, pre-school and school-aged children at the scene.

Each bag will be filled with immediate necessities and age-appropriate comfort items. In cooperation with the _____ Tribal Drug Endangered Children's Team and the Tribal Comfort for Kids Project we are seeking donations of:

backpacks	diaper bags
tooth brush & tooth paste	diapers
underwear	infant formula and bottles
blankets	small comfort item (teddy bear)
sweat pants & shirt or nightshirt	small toy or stuffed animal
coloring book and small box of crayons	

Statistics of children removed from meth and other drug homes indicates that there are an equal number of male and female children removed. The following is the percentage by age of children removed:

10% age infant to one year
25% age 2-4 years
25% age 5-7 years
15% age 8-10 years
15% age 11-13 years
10% age 14-16 years

Once filled and labeled, the back packs and diaper bags will be distributed to the children by law enforcement and Child Protective Services case workers within the _____ tribal community who represent the _____ Tribal Drug Endangered Children's Program.

On behalf of these innocent children, we are hopeful your organization will join in the Comfort for Kids Project. If you have any questions or need additional information, please contact me at 602-_____ or email address at _____.

Sincerely,

Tribal DEC Team Coordinator
